Eram Scientific Solutions Bags ISC-FICCI Sanitation Award

By: Anusree (<http://corporateethos.com/author/joe-john/>) | April 29, 2019

April 29: Eram Scientific Solutions has bagged the prestigious “Best Engagement Model in Sanitation as a Social Enterprise” award instituted by the India Sanitation Coalition and the leading industry body, FICCI. The award was presented at the 3rd edition of ISC- FICCI Sanitation Awards 2019 held in Delhi.

Dr. Siddeek Ahmed, CMD, Eram Group received the award from Sandip Somany, FICCI President, in the presence of Naina Lal Kidwai, Chair, India Sanitation Coalition. “Our decade-long efforts in public sanitation through innovative technology and efforts to achieve excellence in the sanitation sector is recognized with this honour,” said Dr Ahmed.

Ever since inception, Eram Scientific has been working towards realizing its vision of affordable, sustainable hygienic sanitation for all. “This award further encourages us to work even more intensely to address the sanitation challenge,” said Dr Siddeek Ahmed.

Eram Scientific Solutions, Kerala, the manufacturers of India’s First Electronic Public Toilet “eToilet” that has currently been successfully set up across 23 major states in India, also is present in Nepal, and Kuwait. The eToilets will also be installed in Oman, Qatar, KSA and Haiti soon.

Eram is also a grantee of Bill & Melinda Gates Foundation for their “Reinvent the Toilet Challenge” programme under which new innovative measures for high tech sanitation technologies are being developed through wider collaboration of institutions and universities like California Institute of Technology, University of South Florida. eToilet has also received over 45+ National and International awards and recognition.
